SUPPORT BY THE HOUR®

What is SBH®?

Support By the Hour is a comprehensive service providing financial and operational coverage for your engine maintenance. It can cover scheduled as well as unscheduled events, limiting your exposure to unexpected expenses.

You pay as you fly SBH® will provide you with a fixed cost per engine flight-hour. It is directly linked to your flight activity.

What are SBH® benefits?

- ✓ **You control, budget & smooth your engine maintenance costs:** your expenses are clear and predictable.
- ✓ **You build up the value of your engine:** SBH® contracts can be transferred if the aircraft is sold. Re-sale value is increased.

- ✓ **You can rely on Safran Helicopter Engines expertise:** a global service delivered by your Original Engine Manufacturer.
- ✓ **You keep flying:** our worldwide pool of engines, modules and accessories can provide you with effective replacement solutions.
